

Certified EQ Facilitator

Six Seconds' Advanced Certification

In addition to powerful EQ tools, Six Seconds' programs work because we teach based on current neuroscience. This brain-based, humanistic, emotionally rich pedagogy creates transformational learning experiences by engaging head, heart, and hands. How?

Join the **Facilitating Integration** to apply your learning to designing more powerful learning. Then continue to earn the "**Certified EQ Facilitator**" credential with the advanced CEQF program.

"This course deepened my appreciation of just how significant the development of EQ is in all successful relationships and purposeful living. Take the next step, the benefits are huge."
Glenn Hinds, Director, Glenn Hinds Motivation & Coaching Consultants

You've experienced the incredible power of Six Seconds' teaching.

Come learn how to deliver it.

Certification Benefits

In this course you will...

- Learn how to design & facilitate the Six Seconds' way.
- Become more effective as a facilitator / trainer / teacher & speaker
- Brush up on the latest science of learning - including neuroplasticity, hot cognition, and the primary routes of information processing.
- Strengthen your "stage skills" and voice leveraging your EQ as a learning leader.

Supercharge your training and teaching by developing skill with Six Seconds' learning methodology.

This is a practical "learn by doing" program for graduates of Six Seconds EQ Certification program.

The first two days of the course provide a foundation of key concepts and skills that make this learning method work. Then, in the second two days, you work in small groups to practice, give and receive feedback, and practice more.

This course allows you to:

- Identify yourself as a Six Seconds Certified EQ Facilitator
- Access advanced content from the EQ Practitioner library on EQ.org
- Deliver Six Seconds' content with greater efficacy and stronger results.

I look forward to taking my new knowledge back to my organization and sharing it in a new and better way. This was the next step I needed to become a true change agent.

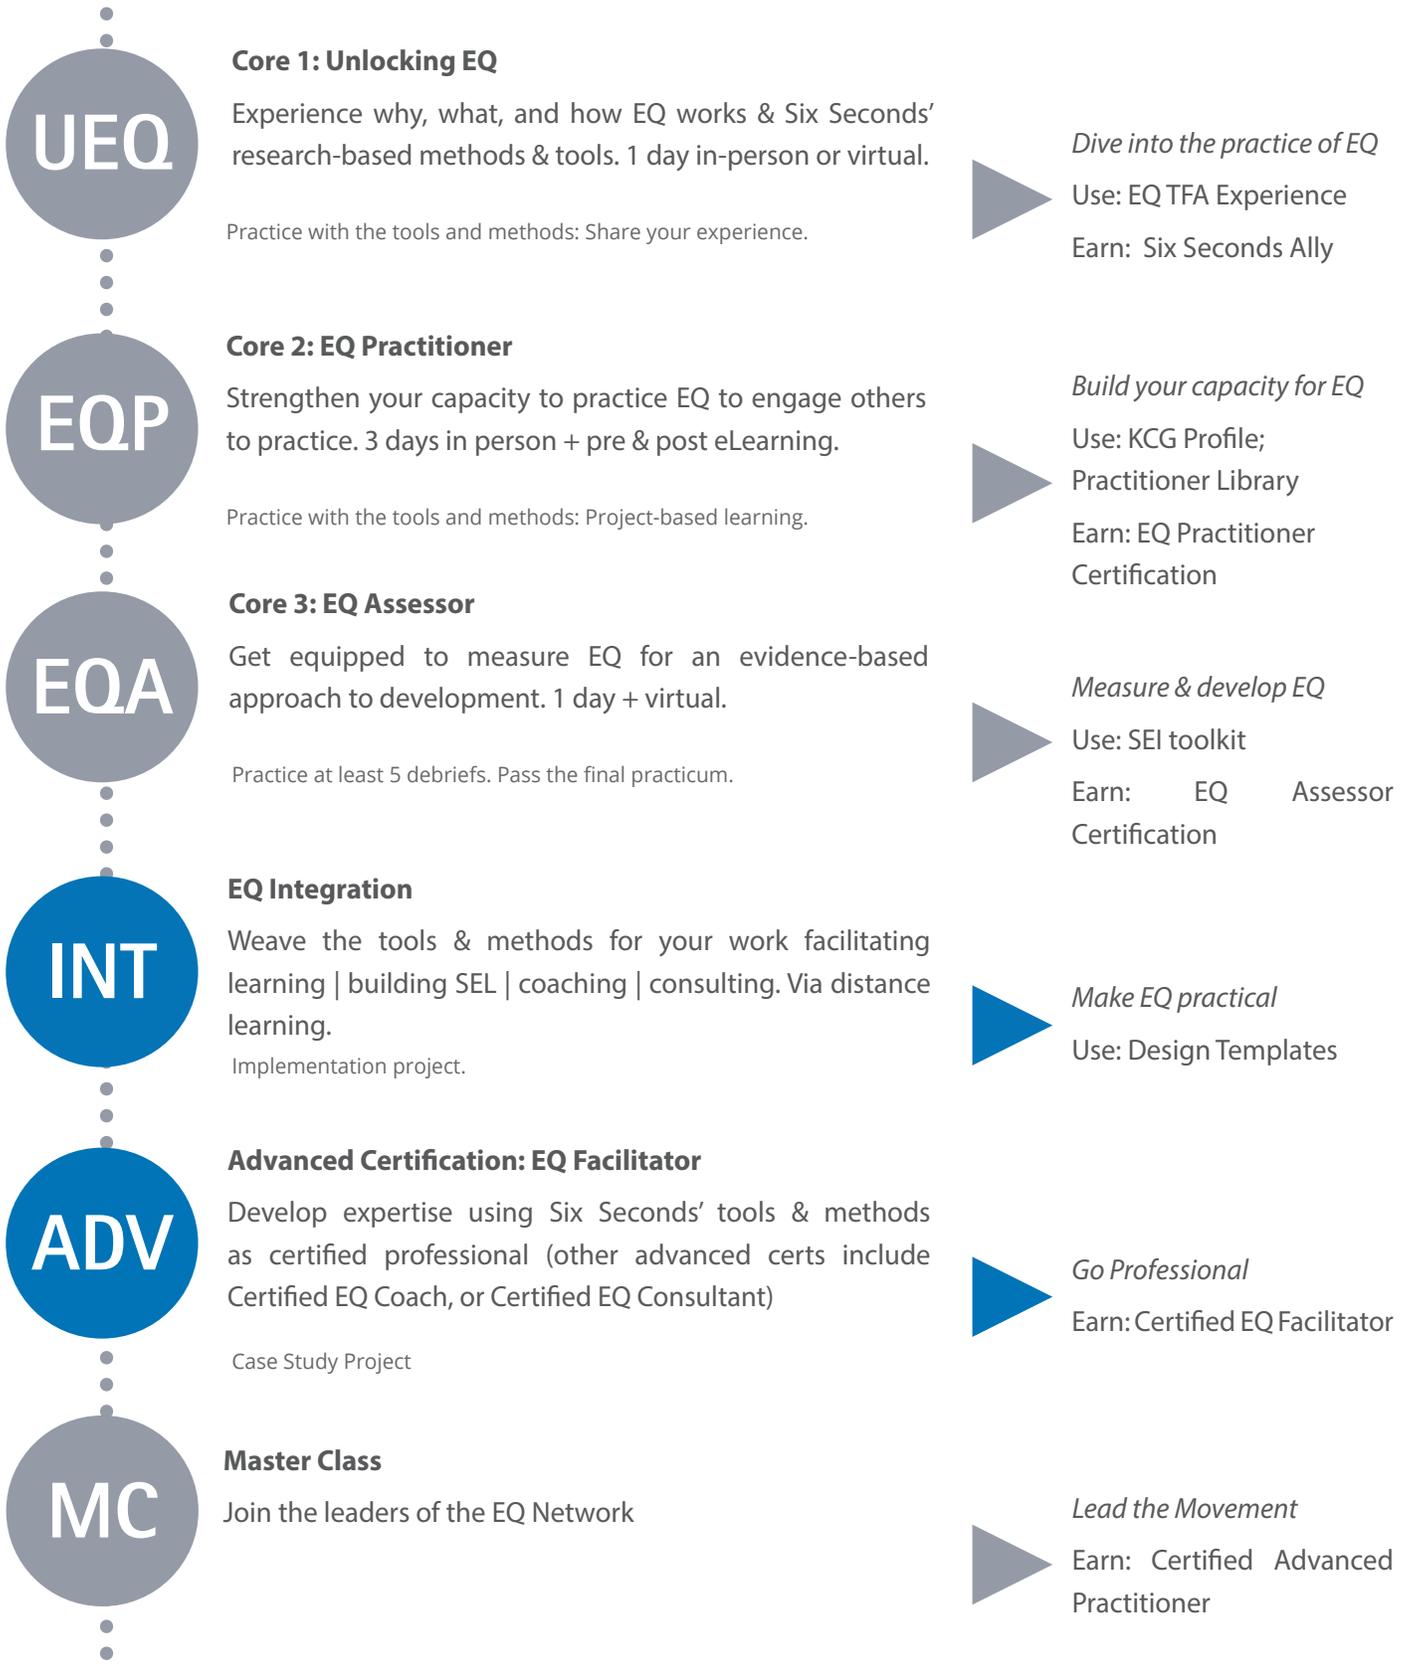

Julie Binter, Senior Manager, Mission Resources, Make-A-Wish Foundation

“CEQF was a great experience, opening my eyes to ways EQ can and should be used in learning. Wonderfully fun and informative.”

Mike Thomas, Director of Learning & Development, Dragonfly Ltd.

Certification Pathway

“Re-thought, re-discovered, re-lived, and re-joyiced
– shall re-live.”

Sachin Mainker

Facilitating Integration

The Facilitator Integration (FI) is a special program for graduates of the EQ Core (UEQ + PC + AC) supporting you to integrate & apply your learning to practical application: **How do you effectively apply the EQ tools & methods to your work as a facilitator?**

FI is designed for trainers, teachers, facilitators working to develop emotional intelligence with groups of participants/students. It will support you to more effectively design & deliver learning utilizing Six Seconds' methods & tools.

FI Registration

Apply to register: 6sec.org/reg

Course schedule: 6sec.org/events

Prerequisite: Core certification. Recommended: Brain Profiler Certification

Fee: 1,090AED. Then, if you register for CEQF within 1 year, you get this back as a discount off your CEQF fee. FI is delivered online and includes eLearning, project work, and three live-virtual class meetings.

You will discover more about learning, the brain, emotions, and the Six Seconds teaching/training philosophy. Plus, you'll gain a deeper understanding of the model and how to focus teaching/training around key competencies.

Certified EQ Facilitator

Program Design

- Structuring learning for results with the Change MAP
- Six Seconds' Learning Philosophy
- The neuroscience of Hot Cognition
- Bringing learning alive

Facilitation

- Powerful questions
- Reading and responding to nonverbals
- Synthesis

Stage skills

- Finding & strengthening your voice
- Emotional presence
- Stillness & blocking
- Dynamics, pacing
- Storytelling; building concepts through stories
- Building and using your EQ as facilitator & speaker

Certification requires demonstration of competence through post-session coaching to plan final practicum: delivery of 5 hours of training (including video taping 1 hour), and debriefing with coach.

“This course provided a new set of skills and tools to deepen program design and delivery. We’ll use this approach to build transformational learning so our leaders are even more effective at strengthening relationships with employees and customer. This course is a must for any company committed to excellence in learning and development to unlock human potential.”

Jimmy Daniel, Senior Management Education Facilitator, FedEx Express

"It is the very best course I have attended. It addresses the 'how' of doing the theory. Trainer was very engaging using great learning tools throughout."

Rasha El Gamal, Chief HR Officer, DMG, Egypt

About Six Seconds

Six Seconds is a global community practicing and sharing learnable, measurable, scientific EQ skills for a world brimming with insight, connection and purpose.

Research shows the practice of emotional intelligence increases effectiveness, wellbeing, relationships and quality of life. So, our vision is a billion people practicing the skills of emotional intelligence worldwide.

Founded in 1997, Six Seconds is the first and largest organization 100% dedicated to the development of emotional intelligence. Six Seconds researches and disseminates best practices to create value with emotional intelligence. In our certification training, coaches, educators, and leaders learn these proven methods and tools, translating current science into effective practice.

We have offices and representatives in over 25 nations and our community reaches 157 countries. Our clients include large entities such as HSBC, FedEx, the US Navy, Emaar, Lenovo, as well as schools and community organizations, and individuals around the globe. From schools where children love to learn, to corporations where people thrive, to programs rebuilding lives, Six Seconds' solutions are life-changing – and empower people to take ownership of a positive future.

Businesses, government agencies, nonprofits, schools, and community organizations choose Six Seconds' tools and methods because of the global relevance, strong scientific basis, and practical application.

We think the world will be a better place with one billion people practicing the skills of emotional intelligence.
